

READ ME FIRST.....Your Howzattt E-Pub Book can be read on ANDROID and iOS devices. *This book is optimised for reading in landscape mode on mobile devices (tablets preferred)*

How to load and read your ebook.....

ANDROID INSTRUCTIONS:

1. Download the '[howzattt_cricket_ebook.epub](#)'
2. Make sure that you have the **Google Play Books App** installed your device. This App is available **FREE** from the **Play Store** but is usually pre-installed on your device and found in the **Google folder**.
3. Open your **File Explore** and go to the '**Downloads**' **Folder** and locate the downloaded file and tap on file.
4. Choose to '**Upload to Play Books**' option. Wait for the book to upload.
5. Once uploaded, the book will be available in the **Library Section** of the **Play Books App**.
6. Enjoy your **Howzattt** E-Pub Book purchase.

iOS INSTRUCTIONS:

1. Download the '[howzattt_cricket_ebook.epub](#)' file to your computer.
2. Make sure that you have the **iBooks App** installed. If not available, download the **FREE** App from the **App Store**.
3. Transfer the file to your device using **iTunes**.
4. The file will be available in the **Books Folder** of your library on all your devices.
5. Open **iBooks**. Your book will be available in the **library**.
6. Enjoy your **Howzattt** E-Pub Book purchase.
7. If the above is not clear to you, please watch the YouTube video <https://youtu.be/VVtIETNk8SY>

DESKTOP INSTRUCTIONS:

1. Your ebook can be read on desktop or laptop devices with **Windows, MacOS and Linux**.
2. Mac users can read their books on the native '**Books**' App across all their iOS devices.
3. Should the book not display correctly on your screen, consider using the latest version of the '**Thorium**' App (a great desktop ebook reader). You can download the App FREE of charge from the suitable links below:

WINDOWS 10 - from the Windows Store or <https://www.edrlab.org/software/thorium-reader/github/win10>

MacOS - <https://www.edrlab.org/software/thorium-reader/github/macos>

Linux - <https://www.edrlab.org/software/thorium-reader/github/debian>

Please go to: <https://www.edrlab.org/software/thorium-reader> for more information regarding Thorium Reader.
